Description: Nellie Bly, posing as Nellie Brown, went undercover to investigate the deplorable conditions of insane asylums. Her memoirs of this event form the basis of Ten Days in a Mad-House, which forever changed the way the world looks at treatment and housing of the insane....

Review: After reading all the great reviews on this book I was excited to be getting a copy and eagerly waited with intense anticipation, just to be extremely disappointed. I was left feeling like a major part of the book was missing. There were no illustrations just a reference to sketches at the end of the article. Very little was mentioned about the experiences...
